As the approval of the members is being sought for condoning the delay in submission beyond the stipulated time line provided in the Article 21 of the Articles of Association of the Club, the proposed resolution, in the opinion of the Executive Committee would require to be passed by way of a Special Resolution.

Independent Auditor's Report

To the Members, of The Malabar Hill Club Limited
(A Company Limited by Guarantee)

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **The Malabar Hill Club Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended, ("Ass") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw your attention to Note. 4.12 regarding delay in transfer of Provident Fund dues to EPFO by the trust on surrender of Provident Fund exemption by the Club with effect from October 1, 2022. Accordingly, the trust has accounted for the estimated interest liability of ₹ 42.67 Lakhs as at March 31, 2023. Based on the audited financial statements of the trust the Club has accounted the deficit of ₹ 30.98 Lakhs in the financial statements.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Executive Committee is responsible for the other information. The other information comprises the information included in Annual report but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged with Governance and take appropriate actions in accordance with Standards on Auditing.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Executive Committee is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Executive Committee Members are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Executive Committee Members are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure – B to the Independent Auditor’s Report

Referred to in paragraph 2(vi) under “Report on Other Legal and Regulatory Requirements” of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2023

Opinion

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“Guidance Note”) issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of Executive Committee Members; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Summary of significant Accounting Policies

1.03 Use of Estimates

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, as at the date of financial statements and reported amounts of revenue and expenses during the reporting period. Such estimates are on reasonable and prudent basis taking into account all available information; actual results could differ from estimates. Differences on account of revision of estimates, actual outcome and existing estimates are recognized prospectively once results are known/materialized in accordance with the requirements of the respective accounting standard, as may be applicable.

1.04 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, non-refundable taxes borrowing costs if capitalization criteria

are met and directly attributable cost of bringing the asset to its present location and condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

1.05 Depreciation on Property, Plant and Equipment

Depreciation on Tangible Assets is calculated on a Straight-Line basis using the rates those prescribed under the Schedule II to the Companies Act, 2013. The Company has used the following rates to provide depreciation on its Property, Plant and Equipment.

100% Depreciation is provided on assets valuing less than ₹ 5000 in the year of addition.

In respect of assets acquired, sold or discarded during the period, depreciation on such assets is calculated on pro –rata basis, for the period during which each such assets were in use.

1.6 Impairment of Tangible Property, Plant and Equipment

An assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets are reflected at the recoverable amount.

1.7 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investment.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current Investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Non-Current Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

1.08 Inventories

a) Raw material

Raw materials, packing material, stores, spares and consumables are valued at lower of cost and net realizable value. Cost of raw materials, components and stores and spares is determined on a weighted average basis

b) Stock-in-Trade

Stock-in-Trade are valued at the lower of cost or net realization value. Cost of finished goods is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.09 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

a) Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects Goods and Service Tax and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

b) Entrance Fees received from Individual Members who are elected during the year and who accept membership are Capitalized to General Reserve.

c) Unexpired Portion of Entrance Fees received from Corporate Members is carried to Corporate Entrance Fees Reserve and the expired portion is transferred to Statement of Profit & Loss Account.

d) Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

e) Dividends

Dividend income is recognized when the company’s right to receive dividend is established by the reporting date.

1.10 Employee Benefits

a) Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due.

b) Defined Benefit Plan

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, a defined retirement benefit plan (The ‘Gratuity Plan’) covering Eligible employees. Liabilities with regard to such Gratuity plan are determined by actuarial valuation and are charged to revenue in the period determined. The Gratuity Plan is a funded Plan administered by Company’s own Trust which has subscribed to ‘Group Gratuity Scheme’ of an Insurance Company.

c) Short Term Employee Benefit

Short-term employee benefits, such as salaries, wages, performance incentives, etc. are recognized as an expense at actual amounts, in the statement of profit and loss of the year in which the related service is rendered.

d) Termination Benefit

Termination Benefit in the nature of voluntary retirement scheme are recognized in the statement of profit and loss as and when incurred.

1.11 Income Taxes

a) Provision for current Tax is made on the basis of taxable profits computed for the current accounting period (reporting period) in accordance with the provisions of Income Tax Act, 1961.

b) Deferred Tax is calculated at the rates and laws that have been enacted or substantively enacted as of the Balance Sheet date and is recognized on timing differences that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized on carry

forward of unabsorbed depreciation and tax losses only if there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Other deferred tax assets are recognised only to the extent there is a reasonable certainty of realization in future. The effect on deferred tax assets and liabilities of change in tax rates is recognized in the profit & loss account in the period of enactment of the change.

- c) The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available
- d) Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
- e) Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as “MAT Credit Entitlement.” The company reviews the “MAT credit entitlement” asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

1.12 Provisions

- a) A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- b) Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

1.13 Contingent liabilities & Contingent Assets

- a) Contingent Liabilities are disclosed separately by way of note to financial statements after careful evaluation by the management of the facts and legal aspects of the matter involved in the case of
 - i. A probable obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
 - ii. A possible obligation, unless the probability of out flow of resources is remote.
- b) Contingent Assets are neither recognized nor disclosed

1.14 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank, cash in hand, demand deposits with banks and other short-term investments with an original maturity of three months or less.
